## BE PROUD.

While the rest of the world admires the Moody 41 Classic, you can personally enjoy the look of your yacht with a classic stern and oval windows. You are the one who is sailing with knowledge and experience. Even though the appearance seems conservative you are on your way in a hightech-sloop, which you and others acknowledge through speed. The sporty rig with self-tacking jib works perfectly.

The composite performance keel convinces you of the advantages of the Moody 41 Classic and while speeding up you enjoy the ease of handling the twin wheel steering. Below deck you can enjoy the shiny mahogany and shakerstyle locker doors with rattan. Here the old-school of yacht building is apparent everywhere. Handrails, fiddles, everything is built for sailing.

Summary: You feel as if though you were sailing in a gentleman's club but according to your own individual wishes.
